TRAINING PROGRAM 2019

SESSION 1: INCLUSIVE RESOURCE DEVELOPMENT - FUNDAMENTALS

TOPIC: *[inclusive Natural Resource Development]*

RESOURCE LIST

	Item	Source	Notes
1	AFRICA MINING VISION	<p><i>African Union, Africa Mining Vision 2009</i></p> <p>http://www.africaminingvision.org/amv_resources/AMV/Africa_Mining_Vision_English.pdf</p> <p>[Class Handout]</p>	<p>The Africa Mining Vision (AMV) is a policy framework that was created by the African Union in 2009 to ensure that Africa utilizes its mineral resources strategically for broad-based, inclusive development. It is a transformative policy that can drive sustainable development on the continent. However, nearly 10 years after its inception, implementation of the AMV has been slow and there is a low level of awareness of the framework among key stakeholders in the mineral sector.</p>
2	Understanding the Dimensions of Sustainable Development	<p><i>United Nations, Understanding the Dimensions of Sustainable Development</i></p> <p>https://www.youtube.com/watch?v=pgNLonYOc9s</p> <p>[Video]</p>	<p>This video outlines the 2030 Agenda and its 17 Goals for Sustainable Development. The agenda is an ambitious commitment of the world community to ensure sustained and economic growth, social inclusion and environmental protection. At the heart</p>

			of the Agenda are 5 critical components: People, Prosperity, Peace, Partnership & Planet.
