*Sheria ya Afya na Usalama Kazini inatoa usalama, afya na ustawi wa wafanyikazi na watu wote waliopo halali mahali pa kazi. Mazingira ya kufanya kazi kwa wachimbaji ni hatari kubwa kwa afya zao na usalama. Kofia, buti, koti za kuonyesha na glavu, baadhi ya zingine, zinapaswa kupeanwa ili kuepuka uchafuzi wa madini.*

**Kwa habari zaidi juu ya afya na usalama, tafadhali wasiliana na maafisa wa afya na usalama katika taasisi zifuatazo.**
